

FULTON DESK

DESIGN RODOLFO DORDONI

Base: in massello di frassino 40x40 mm laccata Moka a poro aperto con traverso in metallo finitura Black-Nickel. Appoggio a terra tramite piedini in metallo con finitura Black-Nickel e scivolanti protettivi in Hytrel® (gomma morbida antigraffio).

SCRITTOIO

Piano: in MDF 20 mm laccato Moka antigraffio, con inseriti 2 cassetti 60x8 cm (scrittoio 120 cm) o con inseriti 2 cassetti 90x8 cm (scrittoio 180 cm), realizzati internamente in rovere laccato Moka a poro aperto. I cassetti dispongono di un sistema di apertura con guide telescopiche.

SCRITTOIO-CONSOLLE

Piano: in MDF 20 mm laccato Moka antigraffio, incassato nella struttura di 10 mm.

Base: in solid ash 40x40 mm, open pore Moka lacquered with Black-Nickel finished metal beam. Black-nickel finished metal feet and Hytrel® [soft, scratch-proof rubber] glides.

WRITING DESK

Top: in MDF, 20 mm thick, scratch-proof, lacquered in Moka, with 2 drawers 60x8 cm (writing table 120 cm) or 2 drawers 90x8 cm (writing table 180 cm); interior made of open pore Moka lacquered oak. The drawers are fitted with an opening system with telescopic guides.

CONSOLE-WRITING DESK

Top: in MDF, 20 thick, scratch-proof, lacquered in Moka, built into frame of 10 mm.

Grundgestell: aus Esche 40x40 mm, offenporig lackiert in Mokka mit Metallquerstrebe im Black-Nickel-Finish. Bodenaufgabe durch Metallfüße im Black-Nickel-Finish mit Gleitschutz aus Hytrel® (weicher, kratzfester Gummi).

SCHREIBTISCH

Tischplatte: aus 20 mm dickem MDF mit kratzfester Lackierung in Mokka und verfügt über 2 Schubladen 60x8 cm (Schreibtisch 120 cm) oder den Einsatz von 2 Schubladen 90x8 cm (Schreibtisch 180 cm) komplett aus offenporig in Mokka lackierter Eiche. Die Schubladen verfügen über ein Öffnungssystem mit Teleskopführungen.

SCHREIBTISCH-KONSOLLE

Tischplatte: aus 20 mm dickem MDF mit kratzfestem Finish in Mokka, 10 mm tief in das Gestell eingelassen.

Base : en bois de frêne massif 40x40 mm laqué Moka à pore ouvert avec traverse en métal finition Black-Nickel. Piètement en métal avec finition Black-Nickel et patins en Hytrel® (caoutchouc souple antiéraflure).

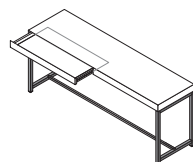

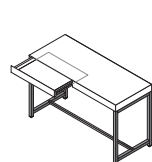

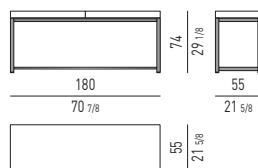

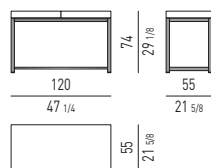

BUREAU

Plateau : en MDF 20 mm laqué Moka antiéraflure, avec 2 tiroirs 60x8 cm (bureau 120 cm) ou avec 2 tiroirs 90x8 cm (bureau 180 cm), réalisés à l'intérieure en chêne laqué Moka à pore ouvert. Les tiroirs sont munis d'un système d'ouvertures à glissières télescopiques.

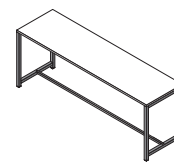

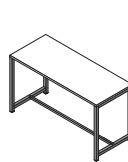

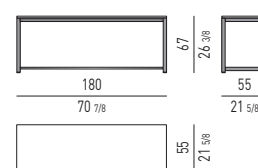

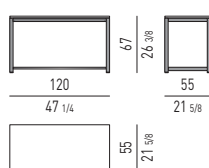

BUREAU-KONSOLLE

Plateau : en MDF de 20 mm d'épaisseur, finition Moka antiéraflure, encastré dans la structure de 10 mm.
